

MODULE

SOLO

English

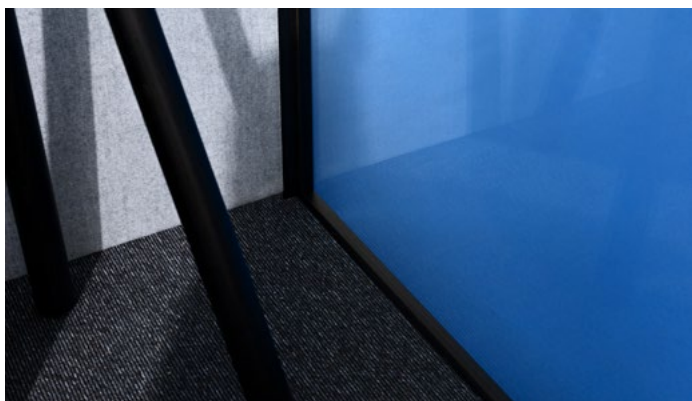

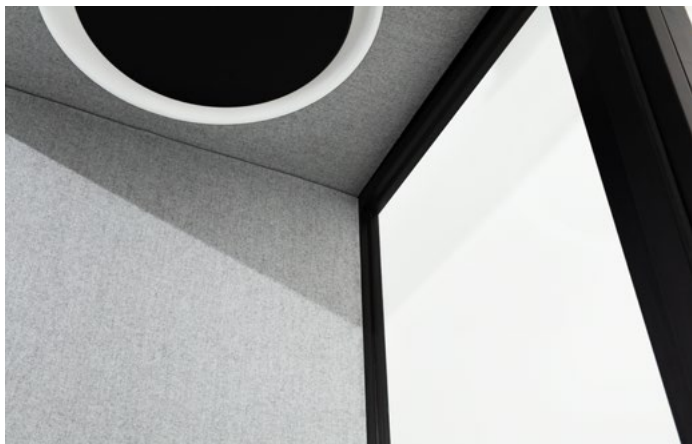

SOLO

Module Solo allows you to concentrate even in the most hectic environments.

Solo's soundproofing blocks the background noise in open-plan offices and lobby areas, and the slanted wall surfaces create acoustically pleasing working conditions. Efficient ventilation ensures fresh air and clear thinking. Indirect lighting is designed to be glare-free, which makes it an ideal space for working.

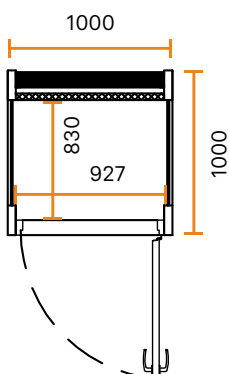

In Module Solo, you can focus and get your job done. You can work efficiently whether it is a telephone conversation, a Skype meeting or if you need peace and quiet for thinking and writing.

WEIGHT	310 kg
HEIGHT	2230 mm
ACCESSORIES	<ul style="list-style-type: none"> • Ventilation • Lighting • Table top • Socket + usb
VENTILATION	22 l/s
MOBILITY	Can be moved with a pallet truck. Can be disassembled and reassembled.
DELIVERY	Delivered as modules and assembled on site.
ELECTRICAL CONNECTION	230 v 50 Hz 10A (lighting supply power)
